of Title 11 of the United States Code (the "Bankruptcy Code") on January 29, 2019 (the "Petition Date").

- 3. On January 28, 2019, before the Petition Date, Barnard properly and timely recorded its Mechanics Lien under California Civil Code § 8400, *et seq.* in the Official Records of Sutter County, State of California.
- 4. Through January 28, 2019, the amount owing to Barnard subject to its Mechanics Lien is at least \$107,077.04, exclusive of accruing interest and other charges, and additional amounts which have continued and are continuing, to accrue after the Petition Date.
  - 5. California Civil Code § 8460(a) provides that:

The claimant shall commence an action to enforce a lien within 90 days after recordation of the claim of lien. If the claimant does not commence an action to enforce the lien within that time, the claim of lien expires and is unenforceable[.]

- 6. Pursuant to California Civil Code § 8460, an action to enforce a lien must be commenced within 90 days after recordation of the claim of lien. However, section 362 of the Bankruptcy Code automatically stays Barnard from filing a state court action to enforce its mechanics lien. See 11 U.S.C. § 362.
  - 7. Section 546(b)(2) of the Bankruptcy Code provides that when applicable law

... requires seizure of such property or commencement of an action to accomplish such perfection, or maintenance or continuation of perfection of an interest in property; and ... such property has not been seized or such an action has not been commenced before the date of the filing of the petition; such interest in such property shall be perfected, or perfection of such interest shall be maintained or continued, by giving notice within the time fixed by such law for such seizure or such commencement.

See 11 U.S.C. § 362; see also Village Nurseries v. Gould (In re Baldwin Builders), 232 B.R. 406, 410-11 (9<sup>th</sup> Cir. 1999); Village Nurseries v. Greenbaum, 101 Cal.App.4<sup>th</sup> 26, 41 (Cal. Ct. App. 2002).

8. Accordingly, Barnard hereby provides notice of its rights as a lienholder in the Property pursuant to California's mechanics lien law. Barnard is filing and serving this notice to perfect, preserve, maintain, and continue the perfection of its lien and its rights in the Property to

comply with the requirements of California state law, 11 U.S.C. §§ 362(a), 362(b)(3), and 546(b)(2), and any other applicable law. This notice constitutes the legal equivalent of having recorded a mechanics lien in the recorder's office for the county where the Property is located and then having commenced an action to foreclose the lien in the proper court. By this notice, the Debtors and other parties in interest are estopped from claiming that the lawsuit to enforce Barnard's mechanics lien was not timely commenced pursuant to applicable state law. Barnard intends to enforce its lien rights to the fullest extent permitted by applicable law. The interests, perfected, maintained, or continued by 11 U.S.C. § 546(b)(2) extend in and to the proceeds, products, offspring, rents, or profits of the Property.

- 9. The filing of this notice shall not be construed as an admission that such filing is required under the Bankruptcy Code, the California mechanics lien law, or any other applicable law. In addition, Barnard does not make any admission of fact or law, and Barnard asserts that its lien is senior to and effective against entities that may have acquired rights or interests in the Property previously.
- 10. The filing of this notice shall not be deemed to be a waiver of Barnard's right to seek relief from the automatic stay to foreclose its mechanics lien and/or a waiver of any other rights or defenses.
  - 11. Barnard reserves all rights, including the right to amend or supplement this notice.

#### NOTICE OF MECHANICS LIEN

#### ATTENTION!

Upon the recording of the enclosed MECHANICS LIEN with the county recorder's office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanics lien is recorded.

The party identified in the enclosed mechanics lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanics lien foreclosure action against your property. The foreclosure action will seek a sale of your property in order to pay for unpaid labor, materials, or improvements provided to your property. This may affect your ability to borrow against, refinance, or sell the property until the mechanics lien is released.

BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANICS LIENS GO TO THE CONTRACTORS STATE LICENSE BOARD WEB SITE AT www.cslb.ca.gov.
